VI. Old Business

- a. SR Fiscal Year 2024-25 Funding Update

The following analysis and funding scenarios for use of the FY 2025-2026 SR funding allocated to date were provided for review and discussion:

 1. The initial allocation from the Legislature for ELC Escambia for SR services was \$19.4 million. \$1.4 million had to be used to pay SR for June 2025. An additional \$431,700 must go to cover the QPI/GS shortfall. This leaves a total of \$17.5 million for SR funding for FY 2025-2026. This amount can support 2,400 children in care.
 2. To get the number of children back to the level that was enrolled on July 1, 2025, which was 2,541, the Coalition would be \$820,000 in the hole.

Early Learning Coalition of Escambia County

3. The Escambia Children's Trust has made an offer to try and get the Coalition the \$820,000 to help offset the shortage in funding.

b. **Quality Funding Restrictions.**

The number of Coalition events and spending has been reduced due to the funding cut. Several departments are getting creative with ways to keep events going.

VII. New Business

a. **Recap of Early Learning Conference 28SEP25**

A list of the Conference Sponsors and Vendors was presented to the committee. Thank-you letters have been sent out to all the sponsors and vendors. Plans for a conference in 2026 are already underway. The Coalition is looking for a different venue.

b. **Twenty Years of VPK**

This year is the 20th anniversary of the VPK Program. The Coalition has a couple of things in work to recognize this milestone. One is having some former VPK graduates, now adults, return to their classrooms and film their interactions with their VPK teachers. The Coalition is soliciting other ideas of how we can mark the event.

c. **Ideas for ELC Twenty-Fifth Anniversary Recognition**

This year is the 25th anniversary of the Coalition. November 30, 2000, was when the Coalition was incorporated. The Coalition is soliciting ideas of how the event can be celebrated.

d. **2026 Meeting Calendar**

The meeting calendar was presented to the committee for discussion.
